

# MAKE NUTRITION

**Pop Chips**  
popped rather than baked or fried; no fake flavors, colors or preservatives; no trans fat

**Sambazon Smoothies**  
made with organic antioxidant-rich acai berries

**Horizon Milk**  
organic is better for the environment and the body

**Zico Coconut Water**  
no added sugars, great natural source of potassium

**Stacy's Pita Chips**  
baked, no trans fat

**Pirate's Booty**  
all natural, baked, no trans fat

# EASY!

**HUMAN stands for Helping Unite Mankind And Nutrition. How? By making 100% healthful products easily accessible in Healthy Vending machines.**

# HUMAN SWAPS

Simply swapping in HUMAN-approved food for junk "food" can save you from excess calories and questionable ingredients.

**Eat these Popchips in Cheddar Potato instead of Doritos Nacho Cheese and avoid 150 calories, trans fat, MSG & chemical food dyes**

**Eat this Apples and Cherries That's It bar instead of a Cherry Pop-Tart and avoid 300 calories, trans fat & high fructose corn syrup**

**Eat this Cashew Cookie Larabar instead of a Snickers bar and avoid 50 calories, 12 g sugar & trans fats**

**Drink this Zico Coconut Mango Water instead of a Sunkist Orange Soda and avoid 86 calories per serving, high fructose corn syrup & chemical food dyes**

**Eat this Amy's Brown Rice & Vegetables instead of a Marie Callender's Sweet & Sour Chicken with Rice and Vegetables and avoid 310 calories, MSG, high fructose corn syrup, trans fat & 260mg sodium**
